

Jednostavni algebarski izrazi sa i bez kvadrata

U svakoj skupini (od 1. do 9.) riješi zadatke i prekriži točna rješenja zajedno sa slovima uz njih. Uoči slovo koje je ostalo neprekriženo, te to slovo upiši u donju tablicu ispod rednog broja skupine iz koje je to slovo. Ako sve točno riješiš, dobit ćeš naziv države iz koje su donje fotografije.
