

Učimo čitati

U ovom materijalu naći ćete riječi od 3 i 4 slova naizmjenice, u kojima imamo redosljed slova: suglasnik-samoglasnik- suglasnik(-samoglasnik).

Materijal je namijenjen djeci koja znaju čitati takve riječi (uz slovkanje ili bez), a koja imaju problema kad prelaze s 3 na 4 slova i/ili obratno. Naime, ja sam imala takvog učenika – nakon čitanja riječi od 3 slova, on bi i u riječi od 4 slova spojio i pročitao samo prva 3, a četvrto bi (nesvjesno) zanemario. Stoga sam pripremila materijal u kojem stalno imamo prijelaze između 3 i 4 slova.

Na mom webu možete naći i sličan materijal (s riječima od 3 i 4 slova) u kojima su riječi u kojima imamo i suglasnik do suglasnika.

Velika većina sličica u ovom dokumentu je iz Microsoftove bogate zbirke slika <http://office.microsoft.com/en-us/images/>.
